<p>Since moving here in June 2006, I have been playing hockey all over the Ottawa area at various levels with various groups/leagues (ie Travellers, Minto, OMSHL). The highest level I've played since being here is with the 1st Division of Travellers sparing for a team called Pro Cam. Due to my current schedule I have only spared for teams and cannot commit to anything more. Most interested in playing intermediate to high level but would play for any team if I'm available.</p>

Position(s): Goalie		
Highest Level Played: Sr. Mens Division One Hockey		

Notes: While I have played some really competitive and high level of hockey, I am just looking to have some fun and enjoy the game of hockey. I would love to play in any division, but ultimately I am looking to play a game and have some fun.

Position(s): Goalie		
Highest Level Played: Travellers Summer Div 15		
Notes: I would rate myself as a Beginner / Intermediate Goalie. I'm new to goaltending (5 months) but took a goalie school so it probably increased my learning curve by a lot (from what I've seen of other goalies technical skills that play a lot). I can play decent in the lower divisions. Not recommended for higher levels
